

Procedure of secondary capacity request and offer at RAG Storage

RAG's customer may offer storage capacities on the secondary market. Forms for secondary capacity requests and offers are available in the download area on the RAG webpage www.rag-austria.at. General Terms and Conditions for Storage Access are also to be found in the download area on the RAG webpage.

The completed and approved form will be published on the RAG webpage. Interested parties shall come in contact bilateral. The capacity transmission shall be proceeded in accordance with the General Terms and Conditions for Storage Access. At the conclusion of capacity transmission agreement RAG shall be informed in time.

Storage services do not include transport capacities!

Please send the completed form on the following e-mail address: rag.speicher@rag-austria.at or via fax: +43 (0)50 724-5238. Our employees would be pleased to answer you any questions you may have.

Capacities, which are not available, but are under development, will be offered as far as possible in the way of „Open-Season Procedure“.
